

## News Release

13 June 2008

### Add your training facilities to FENSA's training venue list

Do you have training facilities that would be available for hire to FENSA and other companies that FENSA has partnerships with?

Email [sman@fensa.org.uk](mailto:sman@fensa.org.uk) to be added to FENSA's training venue list, stating the address of the training facility, a brief summary including equipment and room hire information, together your own contact details.

We will contact you if FENSA has a training course that we are looking to run in your local area.

##### FENSA

- FENSA is the widely trusted, Government-authorised scheme which enables companies that install replacement windows and doors to self certify compliance under the Building Regulations.
- FENSA Registered Businesses represent an estimated over 90% of installers within England and Wales.
- FENSA has over 9000 Registered Businesses.
- FENSA has sent over 5.8 million homeowner certificates
- Over 24% of households in England and Wales have used a FENSA registered installer.
- FENSA Registered Businesses need to meet certain eligibility criteria which include:
  - Making a commitment to comply with all laws statutory regulations and Building Regulations in force.
  - Providing the consumer with a warranty or guarantee conforming to the requirements laid down by FENSA from time to time and covering the cost of completing rectification work in respect of defect
  - "Offering" an independent insurance policy conforming to requirements laid down from time to time by FENSA to customers to cover their guarantee should they for whatever reason cease to trade. In addition where deposits are taken it is a compulsory requirement that indemnity insurance is put in place at the time that the deposit is taken from the consumer.
  - Making a commitment to comply with statutory health and safety, and waste disposal, requirements.
  - Maintains adequate employer's liability and public liability insurance
